### PRESIDENT'S MESSAGE

On behalf of the Kelani University Alumni Association of Australia, I am very happy to welcome you to our Dinner Dance.

We are holding this event for the fourth year in succession. We invite you to enjoy the night to its fullest.

This year as per our calendar of events we participated in the Australia Clean-up Day with much enthusiasm showing our responsibility to the broader community. We organised a Hoppers Night enliven with a singing session ably supported by a DJ exclusively for the members and their families to strengthen our relationships. We celebrated Australia day with a friendly cricket match followed by a barbeque depicting Australian comradeship and sportsmanship. On a more serious note we organised a felicitation ceremony to commemorate the award of the title, Chief Sanganayake of Australia to Ven Naotunne Vijitha Thero who is a scholar from the Kelaniya University.

I also take this golden opportunity to announce to you that we have a long term program to help our alma mater. To meet this objective we have planned three projects that would help the University and the students in a limited scope, proportionate to our affordability. The projects are destined to assist in the increase of reference material in various Faculties, encourages participation in an activity facilitating creativity in an aesthetic field and granting monetary aid for some talented and deserving students. Today's event will also contribute in a small way towards fund collection to implement these projects. Therefore your presence here today to enjoy the night will also automatically elevate you to be a partner in a charity event embracing a worthy cause. In that regard we would like to offer our special thanks to all of you for your presence today and all our sponsors, for their assistance to this event.

Enjoy your dinner and dance till dawn.

Thank you

Lambert Fernando

President, KUAA

### **KELANINITE 2011**

KUAA PAST ACTIVITIES

It was a grand event with a very strong participation of members, associates and well-wishers. The entertainment mood was in the air with initial appetiser from our own Vocalists and Dancers.

A sumptuous Dinner followed. Thereafter the light hearted mood and the dancing rhythm escalated through the presentation of the music by the band. The peak reached close to midnight and would have carried on regardless but close up time intervened giving a fair warning for extended time for the next Kelaninite in 2012. A Raffle draw and Gate prizes tested the day's luck of individual participants to carry a fortune home.

### HOPPERS NIGHT 2011

KUAA PAST ACTIVITIES

A Hoppers Night was held at the Brandon Park community Centre. This was well attended by KUAA members and their families. This event was organised essentially to meet the second objective of KUAA, bringing in members and their families to a collective group, renewing old ties and developing endearing relationships. It was a happy gathering of batch mates, seniors and juniors. Old yarns and told and untold stories were reverberating the atmosphere bringing in nostalgic memories. Unlimited supply of hoppers with heart throbbing side dishes filled the stomachs to satiation and encouraged everyone to dance to the music of the DJ until midnight.

### CLEAN-UP AUSTRALIA DAY 2012

KUAA PAST ACTIVITIES

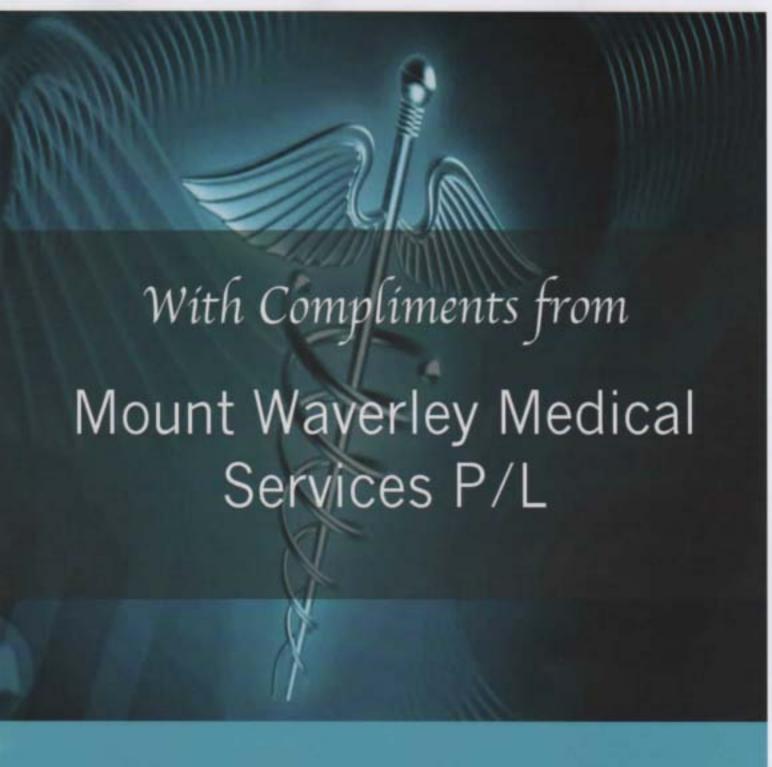

4th march 2012

### Damper Creek, Mount Waverley

KUAA members participated at the Australia Clean-up Day activities at the Damper Creek in Mount Waverley for the fourth year in succession. The weather favoured us very much and was ideal for the outing. The quantity of garbage collection seems declining showing the increased awareness of the people around and other users. The activity terminated with a happy ending relishing an array of short eats supplemented with Nana's big tea spout as usual. KUAA encourages a bigger participation next year specially the children who should carry the message forward.

### AUSTRALIAN DAY CRICKET MATCH

26th January 2012

Mulgrave Reserve

The annual Cricket match between Kelaniya Uni and Peradeniya Uni was played at the Mulgrave Reserve. Both teams tried some serious stroke play and bowlers doing there bit and umpires equally serious and spectators enjoying the euphoria of the happy occasion, making it a memorable one. There were lots to eat and drink supplemented with a typical Australian day Barbie. The event was followed by a Ladies Cricket match played with equal enthusiasm and enjoyment. As usual the ending was brightened by a sing song.

The winners were Kelaniya Uni in both matches. The Kelaniya Uni could hold onto the Karl Gunasinghe trophy again forecasting a real threat from Peradeniya next time, promising to come back with a star studded team next year.

The women's team was able to share a mouth -watering cake lavishly donated by Peradeniya Alumni.

Sanjaya Perera from Kelaniya Uni was adjudged the Man of the Match while the award for the best batsman went to Sujantha Chamara Silva from Kelaniya Uni and the best bowler award was given to Kalum de Alwis.
